Introduction

Welcome to the Level 2 Protective Behaviours Course Information. We are pleased you are interested in continuing your Protective Behaviours learning journey and we are looking forward, through this course, to supporting you to acquire the confidence and skills to inspire others.

The knowledge and skills people gain on our courses equips them to use Protective Behaviours for themselves and with others in an increasingly effective way. They are able to promote the key Protective Behaviours ideas in their home, social and work life, helping others to live safer and more fulfilling lives.

This course is provided by Families Feeling Safe Protective Behaviours Services who work in partnership with settings in Hertfordshire and beyond, to build capacity and the sustainability of Protective Behaviours practice. As an early intervention approach, Protective Behaviours can improve the emotional wellbeing of children and families and help them build skills to keep themselves and their children feeling safe thereby reducing the need for more specialist help.

The course will be facilitated by Fiona Benjamin and Dave Austin who will:

- Support the learning of all participants through a variety of learning approaches
- Will meet the learning needs of every individual wherever possible
- Provide an equal opportunity for all learners to receive the best possible support throughout the course
- Provide high quality resources and guidance during the course, and a certificate upon successful course completion
- Provide information to enable further Protective Behaviours progression, involvement in quality assurance processes and continued professional development

Information for Applicants for the Level 2 (Intermediate) Course

This course provides professional development and progression onto other Protective Behaviours courses. It enables people to feel more competent as practitioners by deepening their understanding of the Protective Behaviours Process.
